# ORATORIO TO BE GIVEN AT TABERNACLE EASTER SUNDAY

The Easter musical service to be given in the Ogden tabernacle on the afternoon of March 31 will be the oratorio by Theodore Dubois, "The Seven Last Words of Christ." This oratorio has been in course of preparation by the choir for several months and has never been given in its entirety although parts have been rendered. It will make a most appropriate Easter service.

The Easter service will be under auspices of the Tri-Stake committee. Apostle David O. McKay will deliver a sermon on the text of the oratorio. The soloists for the service will be Mrs. Myrtle Ballinger Higley, Mrs. Agnes Warner, Miss Vera Jones, and William S. Wright. Prof. Joseph Ballantyne will direct the presentation and Sam F. Whitaker will play the organ accompaniment.

The complete program of "The Seven Last Words of Christ" follows:  
Introduction, "All Ye Who Travel Upon the Highway," Mrs. Myrtle B. Higley.

## HOSTILE AIRSHIP OVER CARIO COAST

LONDON, March 25.—The inhabitants of Cairo, Egypt, informed officially last Thursday, according to a Reuters dispatch, that a hostile airship had been observed over the coast. The public was warned of the possibility of air raids and ordered to observe the necessary lighting regulations.

Cairo, the capital and the most populous city of Egypt, has been in no danger of air raids since the Germans were driven back from the Suez canal. The Turkish lines in Palestine are the nearest enemy points to Cairo and they are 320 miles northeast. An enemy airship might come across the Mediterranean sea from the southern coast of Asia Minor. The distance by that route could be 460 miles one way. A German airship recently attacked Naples, Italy, after a trip of 300 miles from the Austrian coast along the Adriatic.

## RED SOX CAPTAIN

BOSTON, March 24.—Richard Hoblitzell, famous first baseman, has been appointed captain of the Boston American league baseball team, according to word received today from the Red Sox training camp at Hot Springs, Ark. There has been much speculation over the leadership of the team during the coming year, and many thought John Evers would be named.

"William the Conqueror," read the ball boy from his history, "landed England in 1066 A. D."  
"What does A. D. stand for?" inquired the teacher.  
The small boy pondered.  
"I don't exactly know," he said.  
"Maybe it's after dark."—New York Times.

## HOW AND WHAT TO PLANT IN GARDEN

That the school children should devote considerable of their effort in tending to the production of corn and peas is belief of J. J. Andrews, supervisor of school garden work. Mr. Andrews had considered the war garden work from the standpoint of latest possible success to be attained in the campaign and says that campaign is now well under way. He states that the boys and girls of the garden are taking great interest in the garden work and are anxious to all they may to help win the war by averting this plea for greater food production.

Mr. Andrews is rapidly checking all available vacant ground in the city endeavoring to get it for use for war garden work. He also advocates the planting of potatoes on a large scale.

Miss Edna Ladwig, county home demonstrator for Weber county, has taken up gardening in her work and is making a special effort to stimulate gardening on all available ground.

## SPRING CEREMONIAL GOES TO POCATELLO

POCATELLO, Idaho, March 24.—Dr. C. N. Roberts, president of the Pocatello Shriner's club, has received notice that the invitation extended to El Korah temple of Boise to hold the spring ceremonial of the order in this city has been accepted. The local club agrees to provide not less than twenty novices for initiation, but it is expected that there will be at least twice this number.

Committees have been named and plans are being made to make this one of the most successful ceremonials ever held in the state. Shriners from

Twin Falls, Montpelier, Idaho Falls and other towns in southeastern Idaho will be here in force, as it is the first time in several years that this Masonic event has been held outside of Boise.

## STUDENTS AID RED CROSS.

PRICE, March 24.—Six schools of the county have reported 25 cents paid in for each pupil enrolled and all are now in possession of their certificates showing that they are members of the junior Red Cross. The schools are Cameron, Castle Gate, Helper, Kenilworth and Carbonville and Wellington. They are all busy on work for the soldiers. The juniors are in charge of Miss Ida Tanner, secretary of the county school board.

# Contracts for Growing of Sugar Beets Must be Made Immediately

Within two weeks, under present weather conditions, planting of sugar beet seed will be started in Weber County. Many farmers who expect to grow beets have not yet signed contracts for acreage. No beet seed will be delivered to prospective growers excepting those who sign contracts.

Farmers of Weber County are absolutely assured of a sufficient labor supply to utilize even a greater acreage than before. Delays in planting of beet seed may result if contracts are not signed at once.

The need of sugar for both civilian and soldier in America and Entente lands is imperative. It is Utah's patriotic duty to increase its sugar output. Farmers who sign contracts at once are assisting in the fulfillment of this patriotic duty.
